ABOUT DR. ZASE

Marty Zase graduated from Tufts University School of Dental Medicine where he then was a clinical instructor in restorative dentistry. He has published numerous articles, serves on the editorial or review boards of The Journal of Cosmetic Dentistry, Contemporary Esthetics, and General Dentistry magazines, and lectures internationally on cosmetic dentistry. He is one of only eight dentists in the world to have both a Mastership from the Academy of General Dentistry and an Accreditation in Cosmetics from the American Academy of Cosmetic Dentistry. He was the 2006-2007 President of the AACD and serves on their Board of Accreditation Examiners. Having developed numerous techniques and instruments that are currently used in modern cosmetic dentistry, he was granted fellowships in the American College of Dentists, the International Academy for Dento-Facial Esthetics, and the Pierre Fauchard Academy for his contributions to dentistry and dental education. Dr. Zase practices in Colchester, Connecticut.

ABOUT PAUL

In the expanding field of information technology for the dental industry, Paul Vigario is widely considered a pioneer and leader. At a young age, Vigario, the 29-year-old founder and president of SurfCT - The Dental Information Technology Company, has helped expand the field, which is sure to continue its fast-paced growth as technology expands and offers exciting new means of providing quality care for patients. Vigario started his company from the ground up in 2003 after graduating that year from the University of Connecticut's School of Business with a bachelor's degree in Management/Computer Information Systems. Through intensive training and countless hours of on-the-job experience, Vigario, who still manages the day-to-day operations of his growing company, has molded himself into an expert in digital imaging, dental software's and healthcare networks. He has also hired some of the finest information technology experts and has trained them to use their skills in the exciting dental technology field. Vigario is an industry leader in the areas of dental technology, technology ergonomics, integration and complete technology dental office design. Even as his field has expanded, Vigario's company has maintained its renowned reputation as the leading Dental IT company in the northeast.
